

# AT DISTANCE, BUT STILL TOGETHER!

GO BOATING ONLY  
WITH PEOPLE FROM  
YOUR IMMEDIATE  
HOUSEHOLD

WE BELIEVE THAT ONLY BY ACTING  
AS A STRONG COMMUNITY WE CAN  
OVERCOME THIS SITUATION.

TO MAKE SAILING SAFER, LET'S  
REMEMBER SOME BASIC THINGS  
WE CAN DO, WE COULD CALL THEM  
"THE UPDATED RULES OF THE  
SEA".

KEEP YOUR DISTANCE  
TO OTHER BOATS.  
NO BEACHING NEXT  
TO SOMEONE ELSE.  
NO RAFTING.

KEEP DISINFECTANTS  
AND FACE MASKS  
CLOSE BY

TRY TO AVOID  
UNNECESSARY  
CONTACT AND KEEP  
A SAFE DISTANCE  
WHEN TALKING  
TO OTHERS

TO SEA CROWDED AREAS  
OR MARINE TRAFFIC  
YOU CAN USE OUR  
SMARTPHONE APPLICATION  
TO MAKE INFORMED  
DECISIONS

ASK ABOUT SPECIFIC LOCAL  
REGULATIONS IN PLACE.  
FOR EXAMPLE SOME  
COUNTRIES ASK FOR  
HEALTH PROTOCOLS  
FOR EACH PASSENGER
